## Our Vision

### **Growing Together: together we learn**

### **For the body is not one member but many**

Our vision for each member of our church school stems from Corinthians 12: 12-14

“Christ is like a single body, which has many parts; it is still one body, even though it is made up of different parts. In the same way, all of us, whether Jews or Gentiles, whether slaves or free, have been baptized into that one body by the same Spirit, and we all have been given the one Spirit to drink. **For the body itself is not made up of only one part, but many parts.**”

In essence, this vision shows us that the body of Christ, or the people that are the whole of humanity, are a team. The body is not supported by one person, but by all of us. We are one, we are strongest working together in unity. As we all we work together we demonstrate our Christian values of **respect, compassion, friendship and trust.**

The word 'together' is very important to us as we believe that working together is vital in order for us to help all our children learn and reach their potential.

Over the coming years, our focus aims are:

- Celebrating diversity – teaching children to celebrate everyone being different;
  - Making a change – helping our children to think about how we can make small changes in our lives that will have an impact on our local community, our country and the World, e.g. plastic and recycling;
  - Supporting families – working with all our families to help them realise the positive impact they have on their children's learning and the life of the school.
- 

1. We would be very grateful if you were able to give us your feedback on how the school's vision has so far supported/had an impact for your child/family.

2. We would be grateful if you could give us suggestions for the future on how to develop these values further.
