Monday 2nd November 2020

Dear Parents/Carers,

We have been advised by Public Health England that there has been a confirmed case of COVID-19 within the school.

We are continuing to monitor the situation and are working closely with Public Health England. This letter is to inform you of the current situation and provide advice on how to support your child. Please be reassured that for most people, coronavirus (COVID-19) will be a mild illness.

The school remains open and providing your child remains well they can continue to attend school as normal. We will keep this under review.

To support an enhanced response to this situation, we would request that parents/carers (and anyone over the primary school age of 11 years old) wear a face covering for drop-off and pick-up of our pupils. Thank you.

What to do if your child develops symptoms of COVID 19:

If your child develops symptoms of COVID-19, **you should organise for your child to be tested** via the [NHS online portal](#) or by calling 119. Your household should isolate until you receive the test results giving the all clear.

Symptoms of COVID 19:

The most common symptoms of coronavirus (COVID-19) are recent onset of:

- **a high temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

For most people, coronavirus (COVID-19) will be a mild illness.

How to stop COVID-19 spreading:

There are things you can do to help reduce the risk of you and anyone you live with getting ill with COVID-19

Do:

- wash your hands with soap and water often – do this for at least 20 seconds
- use hand sanitiser gel if soap and water are not available
- wash your hands as soon as you get home
- cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze
- put used tissues in the bin immediately and wash your hands afterwards

Further Information

Further information is available at <https://www.nhs.uk/conditions/coronavirus-covid-19/>

As a school we are continuing to ensure that we are implementing the system of controls in line with the DfE guidance and are acting on the advice of Public Health England to keep all children, families and staff safe within school.

Yours sincerely

Mrs J. Whitehouse-Sharpe
