

Homework

Year 6 children are expected to complete 15 – 25 minutes of homework each day to support, consolidate and extend their learning in school. Your support with homework is essential and plays a key part in your child's learning.

Reading at home Children should be reading books at home regularly – ideally every evening. This extends their vocabulary and imaginations enormously! They can borrow books from the school library or choose to read books from home.	Thursday	Friday <u>Spelling Test & Times Tables Test in school</u>

Activity sheets will be provided each week, linked to consolidation of previous maths learning. This can be completed instead of Sumdog.</p>
